

**You may ask why
you should insure the contents
in a self storage facility?**

*...and the answer is
quite simple!*

You should insure your property
in storage facility for the same reason
you insure your property in your home or
apartment....it is a very inexpensive way
to help protect those things that are
valuable to you, in the event that
something should happen.

Each year, millions of storage bays are rented to
consumers who have a need to store some or all
of their personal property.

While at the same time, the number of those who
do not stop to consider the total value of these
items that they are storing, is unbelievable.

We offer you an easy and affordable way to
purchase a policy specifically to cover your
property in an approved Self Storage Facility.

Our History

The Delaware State Grange Mutual Fire Insurance Company was incorporated by the Delaware State Legislature In Dover March 13, 1877. Originally, only farm homes, outbuildings and livestock were covered and only for Grange members. The first policy was Issued on January 1, 1880. The company was opened to other than Grange Members on January 15, 1889.

At the January 23, 1904 meeting the board decided to begin using reinsurance. In February 1924 the company obtained a perpetual charter and began writing property in various towns.

For many years the company operated out of the executive Secretary's home. In 1993 the company set up a permanent office in Dover Delaware and hired Its first full time employee.

In 1998 the company became a full mutual company and shortened its name to **Delaware Grange Mutual Insurance Company.**

It continues to operate with the sole mission of providing a market to Delawareans for products not effectively provided by the larger companies.
